WELCOME FROM THE CHAIR

Dear all,

When this newsletter reaches you the summer holidays will be upon us. We have finally had some nice weather for the local farmers to get good quality hay in after it was looking very doubtful that any would be made this year.

During the few months since the last issue we have seen some major events in and around the town including the Eisteddfod, the Tour of Britain Women and D Day commemorations. All three of these events are featured in this issue.

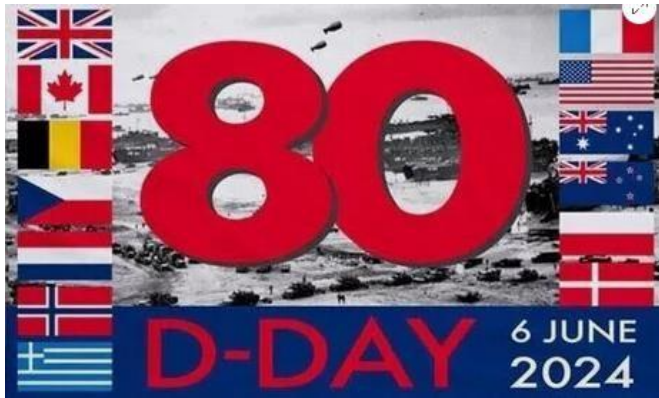

Coming forward is our Place Making Plan setting out the future of the town, more details are included in this issue.

We learn with sadness that Cllr Viola Evans passed away on Wednesday 31st July. She was a person who dedicated her life to public service being both a county and town councillor for many years. She will be missed by us all.

I wish you a very good summer and hope the good weather continues.

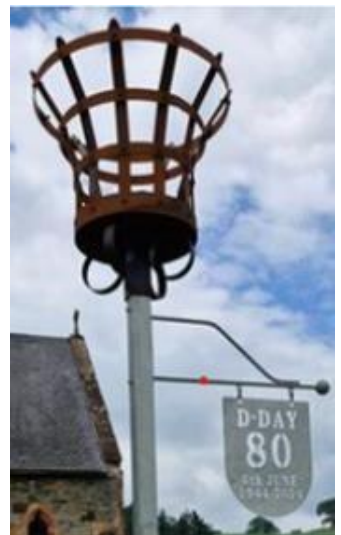

Regards

Cllr Rob Astley Chair

LLANFAIR HELD AN EVENT TO REMEMBER 'D DAY' 6th June 1944

During the evening of Thursday 6th June 2024 Llanfair remembered those who gave their lives for us at the Normandy landings on D Day. Here are some pictures of the moments which moved us all.

We will remember them.

TOUR OF BRITAIN CYCLE RACE COMES THROUGH LLANFAIR

On the morning of Thursday 6th June 89 riders passed through Llanfair taking part in the women's Tour of Britain Cycle race. The race started at Welshpool and via Berriew and Castle Caereinion made its way to us. There were school and playgroup children along with an array of local people who came out to watch. Here are some memorable pictures from the race as it passed by.

THE EISTEDDFOD (URDD)

Taking place between Llanfair Caereinion and Meifod this amazing event brought together people from all over Wales. A record attendance and some wonderful young people taking part.

PLACE MAKING PLAN FOR LLANFAIR CAEREINION

The plan

A Place Making Plan is described as:

Placemaking is a process and way of thinking aimed at achieving better quality places as the physical setting for life in cities, towns and villages. Placemaking is a multi-faceted approach to the planning, design and management of new development and spaces, as well as the protection and enhancement of existing assets. It is fundamentally about responding to the context of a place, through an understanding of its evolution, its functionality, and its impacts.

Crucially, it involves working in a collaborative way with those who live and work or have an interest in Llanfair Caereinion to discover what their needs and aspirations are and how these can be addressed through the Placemaking Plan.

Ultimately it is about creating good places that promote people's health, happiness, and well-being.

Key to achieving better places for everyone therefore will be to make sure the planning policy framework for managing development, and conserving and safeguarding valued assets is tailored to deliver these.

The Placemaking Plan will help to deliver better places by facilitating the delivery of high quality, sustainable and well located development supported by the timely provision of necessary infrastructure..

It complements the strategic framework in the Core Strategy by setting out detailed development and design principles for identified and allocated development sites, as well as a range of policies for managing development and protecting valued assets in the Town.

Area the plan will cover

The area covered by the Place Making Plan is the Town Centre of Llanfair Caereinion (including Mount Road, Watergate Street, High Street, Broad Street, Bridge Street, the school and railway station areas.

Town Plan

The Place Making Plan will sit alongside the Town Plan and form part of it. It will help the securing of grants and help take forward projects which are more challenging.

How do I get involved

There will be a chance to express your views through a consultation process over the coming few months and we encourage you to take part.

If you have any views or questions regarding the plan please contact Alan Greenwood or Owen Davies on

The plan is being prepared by Owen Davies Consulting for the Town Council, funded by Powys County Council.

The Friends of Llanfair Clock

THE BONGS RETURN

I would be very surprised if there is anyone who doesn't yet know that the clock face was removed in April and taken away for refurbishment.

It did, after all, make the front page of the County Times!

We were surprised to see how large it was once we were face to face with it. Believe it or not it is five feet in diameter and the hands were bigger than we expected too.

So exciting times ahead. **The clock returns on 12th August.**

A service of thanks giving will be held in St Mary's Church on Sunday 18th August at 11am to celebrate its return.

All are welcome to join us.

Thank you again to everyone for your support, without it we would not have been able to make this happen. A brilliant example of our community coming together. Thank you also to the members of the committee who have never failed to provide good advice and thorough support. Once the clock is reinstated the committee will provide a final balance sheet and details of the maintenance fund.
