ELECTIONS

Author and former Powys County Council Deputy Leader, Myfanwy Alexander, has been elected unopposed to Llanfair Caereinion Town Council.

Cllr Alexander was an outspoken member of the county council, rising to Deputy Leader and also serving time as the council's Portfolio Holder for Education, whilst also taking responsibility for Housing and Climate Change, Adult Social Care, Welsh Language, Communications and Engagement.

She has not been involved in local politics since losing her Banwy seat at the last council elections in 2022, but was confirmed last night as the new member of Llanfair Caereinion Town Council having been elected unopposed. Away from local politics, Cllr Alexander is a respected author with a number of books published, and she has also featured on a number of BBC Radio programmes.

DERI WOODS – THE GREAT STORM

Storm Darrah hit Mid Wales with some force early in December. Llanfair Caereinion did not escape and there was much damage around the town from the extensive rain and high winds.

Deri Woods was closed for a period whilst works were carried out to make it safe with many trees having fallen and many others unsafe and had to be felled. There was also a landslip with part of the riverside path at the western end of the site falling into the river.

A small area of the lower path will be closed whilst it is decided how we can best re-instate the damaged path.

With the hard work of Cllr Rob Astley and Cllr Gareth Jones along with Bridgen Contracting the woods were re-opened for the New Year.

Youth Club update

Since September we have done a variety of activities with our members. We had a team building session including a nightline activity that took the young people on a blindfold trail where they had to rely on good communication in order to reach the end.

We had Christmas bingo and a Christmas party with snacks and drinks and prizes galore!

The club has also purchased a new dart board out of monies raised through weekly subs.

New members are always welcome to our friendly club and if anyone wants more information they can see our Facebook page <https://www.facebook.com/share/1KA6nxxQoR/> or contact Matt on 07884312052

Buses

A consultation on the plans for bus service changes has just been completed by Powys County Council with the following major changes planned to come into effect later this year.

Llanfair to Welshpool (via Castle Caereinion)

There is an extra bus at 7.70pm via Castle, Welshpool town centre and High School.

The normal buses we are used to have slightly altered times. Later in the day there is a 15.40 from Welshpool High Street to Llanfair and another at 17.20.

For the first time ever residents of Llanfair can get to and from Welshpool and have a full time job with bus access in both directions.

Llanfair to Welshpool (via Berriew)

This bus service is retained but slightly retimed.

Llanfair to the Foel

There is a reduction the service from Llanfair to the Foel to three days a week with two services a day.

Llanfair to Oswestry

The Oswestry service is retained on Wednesdays and Fridays.

Llanfair to Newtown

The Newtown bus is retained on Tuesdays and Thursdays but will only run on school days.

Other buses

There are some changes to the buses between Newtown via Welshpool to Shrewsbury. The changes to the times of these buses are minimal but some bus route numbers have changed.

Where can I find all the timetable changes in Powys

Although the consultation has ended full details of all buses in Powys are shown at www.llanfairtowncouncil.co.uk with a link on the home page.

Consultation in March 2024

The Town Council was consulted on the buses for Llanfair in March 2024 and they asked for the existing buses to be retained and for an early and late bus so that people can have a full time job in Welshpool with bus access. The Town Council is pleased with the result of the initial consultation results.

REPORT FROM

GARETH JONES COUNTY COUNCILLOR

FOR LLANFAIR CAEREINION AND LLANERFYL

HIGHWAYS

Unfortunately the planned works for High Street are yet to be completed, they remain in the planned works and hopefully the work will be carried out in the coming weeks . Several capital works are being completed in the coming months within the area.

There are a growing number of rural roads that require urgent repairs. I'm told once the gritting season has passed more attention will be given to repairing roads .

Can I encourage you to report all issues relating to Highways with myself and by using the online portal.

COUNCIL TAX

The proposal from the cabinet is for an 8.9% Council Tax rise this is despite promises of keeping below 5%. Our independent group put forward an alternative budget which would have reduced the rise to 6.65%, frustratingly the 151 officer would not accept the proposed alternative budget.

There are several meetings in the coming weeks do determine what the level of Council Tax will be.

LEISURE REVIEW

Following on from last month's report I have arranged a meeting with the portfolio holders and heads of service to specifically talk about Caereinion Leisure Centre and how we can work collectively to secure the longevity of our much-needed facility.

BUNGALOWS

There are several bungalows within Llanfair which will be available in the coming weeks. If you know of anyone please encourage them to apply via the following link www.homesinpowys.org.uk. Alternatively, I would be happy to have a conversation and help.

STREETLIGHTS

Over recent weeks a number of streetlights have been reported to me as not working, most I understand have now been repaired, if you are aware of any that no longer work please get in touch, it would be helpful if you could provide the "Streetlight Number" this will start with LC.

WATERGATE CAR PARK

Since the installation of Electric Charging Points there are no longer clearly marked disabled parking bays.

I have contacted Carparks and highways requesting that this is done as a matter of urgency! It is the responsibility of the firm that installed the E V charging points to install green lines and the responsibility of Carparks to replace the disabled bays. Unbelievably Powys no longer have white line marking equipment in the North! Following on from my request they are putting together a few jobs that require white line marking and all work will be carried out at the beginning of April.

The Draft Powys Sustainable Resource Strategy 2025-2030

As a county Powys have made significant progress in reducing the amount of waste we produce whilst increasing the amount we recycle. Between 2013/14 and 2022/23, our recycling rate increased from 52.5% to its current level of 68.1%, and the total waste produced reduced by over 24,000 tonnes during the same period

Please share your thoughts and log on to the following link which is available until the beginning of April.

https://www.haveyoursaypowys.wales/draft-powys-sustainable-resource-strategy-25-30?fbclid=IwZXh0bgNhZW0CMTEAAR3a_nydmlOk2Xlo4qFQtIJ_93koIq1zNQjAGqsiuK5Dvv5Sq10yirYR7Ho_aem_IX_v0Bc85gE4b5oleH5Tog

International chart topper's singer to perform at The Institute

James Walsh, lead singer of Star sailor, will be performing at
the Institute on March 29.

The group who are best known for their 2003 single 'Silence Is Easy', which reached number nine in the UK, and 'Four to the Floor', which reached number one in France as well as the top five in Australia.

James has an impressive reputation as a live performer this was shown when a journalist from NME saw a gig in 2000 and said: "One live encounter was enough to convince many sceptics that here was a band who were genuinely special, blessed with a singer whose voice thrummed like an emotional telegraph wire, that swerved the pitfalls of indie melancholia and were clearly in love with rock 'n' roll and all its possibilities."

This is an event not to be missed, and James is being supported by Tammy Wilde, who has regularly performed at various venues in Llanfair Caereinion, as well as local musician Iwan Evans.

Tickets cost £20 and are available here:

FRIENDS OF DERI WOODS – THE WORK GOES ON

Some pictures of the January working party day. Well done, great job.

New Emergency Service Provision in Shrewsbury

By Russell George MS

I recently I visited the Royal Shrewsbury Hospital. Construction has been progressing for several months as part of a plan to establish it as the main emergency hospital for north Powys, Shropshire, and Telford & Wrekin. This is an exciting development for us in Mid Wales, and people living in and around Llanfair Caereinion, as it will mean access to enhanced life-saving emergency care in Shrewsbury.

The services planned are more significant than a standard A&E department. It also means the return of the women and children's consultant-led inpatient service, head and neck department, critical care and the stroke unit being brought back to Shrewsbury.

The Royal Shrewsbury Hospital will specialise in Emergency Care, while the Princess Royal Hospital in Telford will become a Planned Care Centre, with both hospitals maintaining 24-hour Urgent Care Centres.

During my visit in October, I was able to view the work that has begun on the new four-story expansion to support these services. Visitors to the hospital may have noticed some disruption, as construction ramps up to bring these vital improvements to life.

I also attended a road show session organised by Shrewsbury Hospital at an event at Welshpool Livestock Market in December. There were clinicians and the programme team present at the event to answer questions about what the programme will mean and how it will improve patient care for our Montgomeryshire community.

I believe the plans will vastly reduce current A&E waiting times at both hospitals, as well as ambulance turnaround periods. The changes and investment will help the Trust to continue confronting its wider challenges and make the necessary reforms to attract top class consultants and clinicians.

Russell George MS / AS

Member of the Welsh Parliament for Montgomeryshire

The library is open on Tuesdays (10-1), Thursdays (3-6), Fridays (3-6) and Saturday (10-1).

Llanfair Caereinion Royal British Legion A Century of Service and Sacrifice

This September, the Llanfair Caereinion Branch of the Royal British Legion proudly celebrates its 100th anniversary— a remarkable milestone that reflects a century of dedication to supporting veterans, serving members of the Armed Forces, and their families.

Founded in 1925, just a few years after the end of the First World War, the Llanfair Caereinion Branch has stood as a beacon of remembrance and community spirit in our town. As we reflect on its history; we invite everyone to join us in commemorating this momentous occasion and honouring those who have served.

Share Your Memories

To make this celebration truly special, we are calling on the community to share any photographs, documents, or memorabilia connected to the branch over the last 100 years.

Whether it's

pictures of past events, parades, or members, your contributions #will help us piece together a visual history of our branch. We will carefully scan and return all photos to their owners and hope to showcase them during our celebration.

These images will serve as a powerful reminder of the branch's role in supporting service personnel and veterans throughout the decades.

A Celebration Dinner

To mark the centenary, a special celebration dinner will be held later this year. This will be an opportunity for veterans, supporters, and the wider community to come together, share memories.

Details about the date, time, and venue will be shared soon, so keep an eye out for updates.

The Poppy Waterfall

As part of our commemorations, the iconic poppy waterfall will once again cascade down from St. Mary's Church tower, this year it will be from the top—a striking symbol of remembrance and hope. This breathtaking display has become a cherished tradition, and we are determined to make it as stunning as ever this year.

We are seeking volunteers to help attach poppies to the waterfall in the lead-up to the event. If you can spare a little time, please consider lending a hand. Together, we can create something truly beautiful to honour those who have served and sacrificed. Thank you for your continued support—and here's to the next 100 years! Please contact Sam 07711 293196 if you would like to contribute in anyway.

Volunteer with Us

Our railway is owned and mainly operated by volunteers. New volunteers are always welcome to join our friendly and diverse team.

If you have a few hours to spare and would like to find out more about volunteering with us and what is involved, please contact 07767 267830 for an informal chat.
