# NEWS FROM THE TOWN COUNCIL

## **Town Notice Board**

The Town Council will be providing a town centre notice board to provide a space for organisations to publicise their events on an A4 posts. More details in the next issue.

## **Deri Woods riverside path**

The storm damage from Storm Darrah in November 2024 has mainly been repaired. There is still the riverside path, not an easy one, and investigations as the best thing to do have been completed. It is hoped the work could be completed by the summer.

## **Public Toilets**

There has been some vandalism (very rare in Llanfair) just a few days before Christmas. This involved graffiti, damage to pipework and a lot of cleaning up after the mess. Those involved please remember that this is not very nice and costs the taxpayer each time it takes place.

There is working CCTV covering that area so that next time we use that evidence of those causing the damage more easily.

## **Bus services**

Many of you will know that there are new bus timetables in operation. We have many asking where they find them and where do the buses go from and to.

There are bus stops around the town with current timetables on them. To help further over the next few pages you will find the timetables as issued on the official websites.

## **Deri Woods and The Goat Field**

Please can we ask that no wood is taken from Deri Woods or the Goat Field. The wood on the ground is there for biodiversity.

**Thank you.**

**Town Clerk**

# CLIMATE CHANGE – WILD GARDENS

As part of the Town Council's climate change plan various ideas have been considered as to what residents can do help in their little way.

The Town Clerk attended a climate change event and from that an idea has come forward.

We are asking all property owners or tenants to consider putting aside 1 square metre of their garden as a wild space. The area should be allowed to grow wild but under control.

You could even plant some wild flower seeds to support wildlife in this small space.

If everyone took part there would be 1,000sm which is quite a lot. We know some of you have already created space and hope many more will join you.

If you need any advice regarding the scheme please contact the Town Clerk on 07767 267830 or email

## **Llanfair Caereinion Town Council Youth Club news**

Llanfair Youth Club continues to build and develop. Over the last 12 months we have given our members the opportunity to participate, develop confidence and take part in organised activities. These have included: Indoor games and sports, team building activities, volunteering opportunities, outdoor sports which have included: fishing, golf and orienteering.

Here are some pictures of the club's activities.  
Youth Club meeting at the Institute on Mondays  
4.30pm till 6.30pm. All welcome.

**REPORT FROM  
GARETH JONES  
COUNTY COUNCILLOR  
FOR  
LLANFAIR CAEREINION AND LLANERFYL**

**Salt Heaps**

Many of you will be aware that Powys County Council has been cautious in distributing salt piles in recent weeks and months. When questioned, the Council has stated that early-season distribution can lead to salt being washed away during wet weather.

However, leaving communities without salt is unacceptable, particularly as it leaves many rural residents and businesses isolated during icy or snowy conditions.

To help in the short term, I personally collected and distributed salt around Llanfair and Llanerfyl. I have also emailed the Council requesting that salt bins be placed in strategic rural locations so that early distribution becomes possible.

Unfortunately, changes like this will not happen overnight. A number of residents have already worked together to purchase their own salt bins in preparation for future winters. If this is something you are interested in, please let me know and I will ensure the bins are filled.

### **Watergate Car Park**

May I remind residents that this car park is intended for cars only. I have received concerns about caravans and abandoned vehicles taking up already limited spaces.

If any vehicles that are permanently parked are not promptly removed, Powys County Council will consider taking action to have them removed.

### **Bungalows**

If you know anyone who may require a bungalow, please encourage them to apply via:

[www.homesinpowys.org.uk](http://www.homesinpowys.org.uk)

I am always happy to discuss the process and offer help where needed. Availability is currently limited, so the sooner applicants join the register, the better their chances.

### **Potholes**

The condition of our roads is worse than ever, and the recent bad weather has not helped.

Every issue you have reported to me has been passed on to the depot, and I encourage you to continue using the online reporting portal:

### **Report a problem with a road or pavement Powys County Council**

I am also keeping my own list, so please email me any concerns and I will continue to follow them up.

The state of our roads and ditches is far from satisfactory. I fully understand how frustrating this is, and I have asked for details on how the recently announced additional highways funding will be distributed across Powys.

### **Health Centre**

Although things may appear quiet, a great deal of work continues behind the scenes. The project remains a priority for PHB, and significant progress is being made.

My thanks go to Mr Steve Witherden for his continued support in moving this forward.

---

### **Visit from Cllr Raiff Devlin**

On Thursday, 5th February, I was pleased to welcome Cllr Raiff Devlin, Portfolio Holder for Leisure, to Ysgol Bro Caereinion. We discussed opportunities relating to the school, the leisure centre, and the wider community. I will be arranging a meeting in the coming weeks to gather the views of local groups.

---

### **Caereinion Health Centre Car Park**

I am aware of the very poor condition of the car park by the doctor's surgery. In September, I brought the Head of Service to Llanfair to see first-hand the risks posed to patients and visitors.

Some progress has now been made, and I remain hopeful that repairs will be carried out soon. I appreciate your patience and am sorry for the length of time this is taking.

## **Statutory consultation launched for Vyrnwy Frankton Project**

Green GEN Cymru has launched the statutory consultation for its proposed Vyrnwy Frankton Project.

The consultation is open from 4<sup>th</sup> February to 6<sup>th</sup> March 2026.

Green GEN Cymru's proposed network looks to unlock the country's energy potential and add much needed grid capacity and support, accelerate and enable the net zero transition.

The Vyrnwy Frankton project would connect renewable energy to the electricity network for supply to homes, hospitals, schools, businesses, and communities.

The project includes a new substation near Cefn Coch in Powys, a section of underground cable and sealing end compound, a 132 kV overhead line and a switching station to connect to the national electricity network near to Lower Frankton, Shropshire.

The new connection will also become part of a more resilient network for the region – creating capacity to support local investment and providing for a future in which the demand for electricity will increase significantly to heat homes and buildings, and to charge domestic and agricultural vehicles.

Residents and stakeholders can find out more about the Vyrnwy Frankton Project on its website: [www.greenenvyrnwyfrankton.com](http://www.greenenvyrnwyfrankton.com).

The more detailed design will give people a much better sense of what the connection could look like from where they live. Green GEN Cymru is now asking people to provide their feedback on the proposals so it can continue to look at ways to managing the effects of the connection.

Please do look out for consultation events being held around the area.

## **Welshpool & Llanfair Light Railway**

Council Office: The Institute, Bridge Street Open most Friday  
afternoons 2pm to 5pm or by appointment at any other time.

## **POLITE NOTICE**

There has been an increase in dog fouling in Deri Woods and The Goat Field.  
Someone thinks it is OK to use a dog poo bag and just leave it at the side of the paths.

Dog poo bags are provided at both main entrances and are restocked weekly.

There is a black litter bin for you to put the dog poo bags into.

Please help us keep the woodland works nice for everyone.

Thank you.
